

## **Curtin Springs**

Outback hospitality –

The way you wish it could be all the time.

**Curtin Springs is a working cattle station and wayside inn located on the Lasseter Hwy just 85km east of Yulara, at the edge of Ayers Rock/Olgas National Park.**

The Severin family extend the unique hospitality that made them a legend in the NT. The family took over in 1956 and still operate the station today. They installed petrol pumps and a small store to help Len Tuit start tourism in the Ayres Rock area. Looking at the area now it's hard to believe that the Severins only saw 6 people in their first year here and they have watched the tourism industry grow ever since.

The Severin family and their staff offer you a real taste of the outback, with modern facilities and an atmosphere that people come back for.

We can offer a variety of options for tour groups.

- Breakfast, lunch, dinner or morning/afternoon tea.
- Dinner, bed and breakfast
- Bed only, provide your own meals around the free BBQ area.

**Tours of the station, the Amadeus Salt Lake Chain and Mt Conner (the Forgotten Wonder) are available.**

We will do our best to accommodate your specific tour

**An affordable option - so base yourself at Curtin Springs and explore the Ayers Rock and Kings Canyon areas.**
