

Curtin Springs Paper

- 1 hour tours

See how we make handmade paper from native grasses in the Old Abattoir.

Each piece of paper is different and individually made.

Include our one hour interactive tour in your travel plans.

Purchase from our full range of Curtin Springs Paper products in our retail outlet.

A limited selection of paper products are available from the store at the Curtin Springs Wayside Inn.

Watch our short video online to find out more.

Current times for tours are available on our website.

What does the Curtin Springs Paper Tour consist of?

- > Guests will enter the Old Abattoir building through the 'knocking box' and have the history of the building explained, including how almost everything we use has been recycled.
- > The paper making process will be explained and demonstrated.
- > Participants will be able to 'pull' a piece of paper to experience how it's done.
- > Each participant will receive a piece of Curtin Springs Paper.
- > All tour participants have exclusive access to our full range of Curtin Springs Paper and paper products, including our handmade jewellery, made from Curtin Springs Paper.
- > There are a number of historical Station items on display throughout the Old Abattoir.
- > There will be a video presentation. Then a slide show of historical and current pictures will run silently throughout the tour.
- > The Old Abattoir building has disabled access, eftpos facilities and a toilet.
- > The Old Abattoir is alongside the largest set of cattle yards on Curtin Springs Station.
- > Visitors will see the architecture of the Old Abattoir and how we have paid respect to the history of the Severin family and the history of Curtin Springs.

Take time to view the artworks made from Curtin Springs Paper, in The Gallery.
